Education

University of Toronto <i>Bachelor of Applied Science in Computer Engineering + PEY Co-op</i>	Sept 2025 – May 2030 Toronto, ON
• Relevant Coursework: Data Structures and Algorithms, Computer Organization, Linear Algebra, Probability and Statistics, Software Design, Digital Systems, Programming with C • Robotics for Space Exploration Team Member: Developed and tested ROS2 safety nodes that improved rover operation reliability as part of a design team.	
Milliken Mills High School <i>IB Programme</i>	Sept 2021 – June 2025 Markham, ON
• Relevant Coursework: HL Chemistry, HL Econ, HL English, SL Maths AA, SL Physics, SL English	

Technical Skills

Languages: Python, Javascript, MATLAB, Typescript, HTML, CSS, Swift
Libraries & Frameworks: React, TailwindCSS, Bootstrap, Node.js, NumPy, Matplotlib, Tkinter
Developer Tools: Git, GitHub, VS Code, Cursor, Linux, Google Cloud Platform

Projects

binder. <i>TypeScript, React, Tailwind CSS, Python, Gemini API</i>	Oct 2025
• Created a Tinder-inspired marketplace browser for Kijiji with a swipe-based React interface and real-time listing updates. • Integrated a Python scraper for dynamic data collection and leveraged the Gemini API for AI-powered price evaluation. • Built responsive, maintainable UI components and managed application state efficiently using TypeScript and TailwindCSS.	
stop! don't go on <i>Arduino, Python, React, OpenCV, Typescript</i>	Nov 2025
• Used Arduino to spray water and email.js to email friends and family to incentivize users away from continuing bad habits. • Integrated OpenCV with a python backend to the arduino so users could be tracked with precision • Created a dynamic UI that allowed user input and real-time computer feedback using React, Vite, and Typescript	
ASCII Slot Machine <i>Python</i>	Mar 2025
• Used python to calculate probabilities and returns based on pre-determined values for symbols. • Applied object-oriented design principles for modular and reusable reward and probability-matching systems.	

Awards

Faculty of Applied Science and Engineering Admission Scholarship <i>University of Toronto</i>	2025
Avogadro's Contest - Top 25 Scorers <i>University of Waterloo</i>	2025
OAPT Contest - Top 500 Scorers <i>University of Toronto</i>	2025
YorkU EUC Design Challenge -1st Place <i>York University</i>	2024

Experience

CCU Receptionist <i>Markham Stouffville Hospital</i>	Feb 2024 – Aug 2025 Markham, ON
• Provided customer service and prepared beverages in a fast-paced environment. • Collaborated with team members to ensure efficient daily operations.	
Private Tutor <i>Math/Computer Science/Physics/Chemistry/English</i>	Sep 2023 – Present Markham, ON
• Assisted in training and mentoring youth athletes. • Supported team organization and game-day preparation.
